Surface Transportation Board

30-Day Notice and Request for Comments

AGENCY: Surface Transportation Board.

ACTION: 30-day notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995, 44 U.S.C. 3501-3519 (PRA), the Surface Transportation Board (Board) gives notice that it is requesting from the Office of Management and Budget (OMB) approval of the information collection—System Diagram Maps—further described below. The Board previously published a notice about this collection in the Federal Register on January 17, 2013, at 78 Fed. Reg. 3968. That notice allowed for a 60-day public review and comment period. No comments were received.

Comments may now be submitted to OMB concerning (1) whether the collection is necessary for the proper performance of the functions of the Board, including whether the collection has practical utility; (2) the accuracy of the Board's burden estimates; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology when appropriate. Comments will be summarized and included in the Board's request for OMB approval.
